Of Interest to Women

The meeting of Richmond Chapter, U. D. C. yesterday morning, was a most important one. Reports of the Birmingham convention were especially interesting. Mrs. Charles E. Balling, who represented Virginia on the floor of the convention in protest against the enlarging of Lee Chapel at Washington and Lee University, read in detail what she said on the subject in Birmingham. She also read the tribute to Colonel Lee, which she delivered at convention from Virginia. Plans were made for the Christmas dinner to be given the old men of the Soldiers' Home on December 23. Mrs. B. A. Blenner is chairman of the committee in charge of the arrangements, and is planning a real treat for the old soldiers. Mrs. John S. Bauer was made chairman of the card party, which will be given in the Jefferson Hotel on January 12. It was also decided to send \$250 to the relief fund of the Virginia division, which is known as the Janet Randolph Confederate Relief Fund. Twenty-five dollars was also given towards burial of a Confederate veteran. Several other appeals were attended to, and it was decided to send a Christmas present money to every member on the Relief Fund of the Virginia Division.

The monthly meeting of the Richmond League of Women Voters will be held this afternoon at 4 o'clock in room 630, of the Jefferson Hotel. Miss Gertrude Lewis, who is the principal speaker for the afternoon, will talk on the international discussion held at the Institute of Politics, Williams-town, during the Service Company. Miss Lewis attended the institute and heard many distinguished men from Europe and Japan discuss subjects of international significance. The meeting is open to the public, as well as members of the league.

The Woman's Auxiliary of the Richmond Grays will present an historic flag to the Service Company of the Grays, tonight in the Grays' Armory. This flag was first presented to the Richmond Grays by the ladies of Richmond in 1859. It has been lost for several years, but was recently discovered, though in a much dilapidated condition. The Woman's Auxiliary has had the flag restored, and attractively framed. Mrs. Alice W. Bossieux, widow of Louis P. Bossieux, a former lieutenant of the Grays, will unveil the flag, which will be received by Captain Henry G. Dickerson, of the Service Company. Following the presentation there will be a dance, given by the Service Company, of which Mrs. Louie Milhiser, president of the Woman's Auxiliary, is general chairman.

The executive board of the College Club will meet this afternoon at 4 o'clock in the Collegiate School.

HALF THE FIGHT AGAINST ILLNESS

Keep the Liver Prepared to Do Its Duty in Cleansing the System—Black-Draught Will Help.

Kernersville, N. C.—Mrs. Wesley Mabe, who resides near here, says Theodor's Black-Draught is kept in her home all the time, since it has proved very valuable when used to correct derangement of the liver, stomach and bowels, and to help prevent sickness from developing from such conditions.

"For dizziness, headaches, colds and similar troubles, Black-Draught is a wonder," according to Mrs. Mabe.

"It helps carry away bile and cold the easiest of any medicine I ever saw."

"I have used Black-Draught with my whole family, and will continue to do so, as it has proven its worth. We are glad to recommend Black-Draught. My health is just fine."

Black-Draught has been found a useful adjunct in breaking up colds, when the use of a laxative or cathartic medicine is indicated. It acts upon the liver as a tonic, helping it to drive poisons and unhealthful matters from the system.

Biliousness, dizziness, coated tongue, bitter taste in the mouth, often warn you that your liver is out of fix. Don't neglect it. Prevention of illness is better than cure. Take Black-Draught for your liver. Be sure you get Theodor's.

Most druggists sell Black-Draught. Get a package today—Theodor's—Adv.
